

ANNUAL REPORT

2016-2017

CONTENTS

EXECUTIVE SUMMARY

05 Linkages

The University forged 64 functional international linkages. These linkages were in the areas of academic exchange of students and faculty, faculty scholarship grant, basic and higher education, research, distance education, technical assistance, among others.

08 Enrolment

There were 17,225 students enrolled during the first semester, which is 10.35% decrease from last year's same semester enrolment of 19,213. In the second semester, there is a 9.91% decrease, 16,881 against last year's 18,737. The decrease may be attributed to the implementation of the K-12 basic education program where no incoming college freshmen were admitted.

More than half of the total enrolment (51.91%) during the first semester was registered by the Mid La Union Campus; and more than half (51.56%) during the second semester.

09 Graduates

A total of 3,347 students from basic education to doctorate programs graduated during the school year. More than three-fourths (2,851 or 85.18%) were graduates from various baccalaureate programs.

10 Graduates' Performance

Higher passing rates in the following board examinations compared to the national passing rates were recorded by the University: Licensure Exam for Teachers - Elementary, Electrical Engineer Licensure Exam, Mechanical Engineer Licensure Exam and Midwifery.

12 Students' Performance in Extra/Co-Curricular Activities

DMMMSU students shone and won awards in various regional, national and international competitions. Several students reaped accolades in international research tilts.

28 Faculty & Staff Profile

More than half (60%) of the 565 Faculty of the University held professorial academic ranks. Majority (85.49%) are very highly educationally qualified: more than half (58.76%) were Master's degree holders while more than one-fourth (26.73%) were doctorate degree holders.

Most Faculty members come from MLUC (39.12%), followed by SLUC (32.74%) and NLUC (24.60%).

30 Faculty & Staff Development

There were 15 faculty and staff who completed doctorate degrees, and 28 who completed masters in various institutions.

A significant number of faculty and staff of the University attended, either as participants or presenters, seminars/trainings/conferences, held in international venues.

33 Research

Twenty-six university researches were published in international scientific research journals.

One hundred eighteen papers on University researches and best practices were presented in international and national conferences and fora.

60 Extension

There were more than 9,000 clients from all parts of the country who were beneficiaries of extension activities of the University. These activities ranged from technical assistance, trainings, community outreach, lecture demonstrations, tree planting, environmental protection to training needs assessment.

74 Income Generating Projects

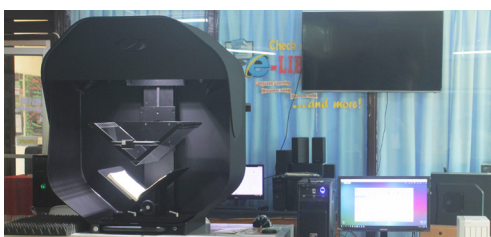

The University generated a total of P7,316,330.46 net income from its various income-generating projects. Top earners were the fastfood of North La Union Campus; facilities rentals and laboratory kitchenette of Mid La Union Campus; space rentals/stalls and canteen of South La Union Campus and the Technology Fee of the Open University System.

77 Infrastructure

There were 91 infrastructure projects, worth P210,210,369.93, that were completed. Funding of these projects was sourced out from various donors, e.g. national and local leaders, alumni, private firms, and the Commission on Higher Education.

83 Acquired Equipment/ Material (Outsourced)

The University outsourced from various benevolent patrons, benefactors and donors a total of 2,643,802.00 worth of equipment and material. Among the donors were the Commission on Higher Education, Department of Agriculture-Regional Field Unit 1, NGOs and Alumni.

85 Climate Change Mitigation Activities

A good number of mitigation activities were conducted by the University to address climate change. Massive clean-up (roadside, coastal, river), tree planting, environmental education, rainwater harvesting, solid waste management trainings, among others, were conducted.

88 Foreign-Assisted Trainings Conducted

Two foreign-assisted trainings were conducted by the National Apiculture Research Training and Development Institute (NARTDI) of DMMSU. Resource persons were NARTDI Canadian consultants while participants were some 100 NARTDI Personnel and beekeeping beneficiaries.

HIS EXCELLENCY RODRIGO ROA DUTERTE

President, Republic of the Philippines

Through:

The Hon. ALEX B. BRILLANTES, JR.

Chairperson, DMMMSU Board of Regents
Commissioner, Commission on Higher Education

Sir:

Greetings!

I have the honor to submit the Annual Report of the Don Mariano Marcos Memorial State University, La Union for School Year 2016 - 2017. Through the different delivery Units of the University, this Report reflects the University's contribution to national development. We vow to continue serving our University with the same resoluteness, passion and commitment.

Thank you.

Very truly yours,

ACCREDITATION STATUS OF ACADEMIC PROGRAMS

There were 50 total accredited programs of the University, Table 9.a and Table 9.b. There were 14 Level I accredited programs; 11 for Level II; 29 for Level III; and 3 for Level IV, which included: BS Agribusiness Management, BS Agroforestry, and BS Industrial Education.

The Accrediting Agency of Chartered Colleges and Universities in the Philippines, Inc. (AACUP) has recognized DMMMSU to be one of the few SUCs in the country to have the most number of accredited programs. This bespeaks of the high-level quality of academic programs and faculty profile of the University.

DMMMSY HYMN

**Hail beloved Alma Mater
Don Mariano Marcos Memorial State University
Your honored name will shine forever
Keep your glorious fame resounding far and near.
From thy portals we learn
In skills unknown before
And heads and hands keep on craving for more**

**Oh hail beloved institution
Never shall we stand forlorn
From you a new era is born
To keep life smoothly moving on.**

**You are our inspiration
In our quest for knowledge and wisdom
You fulfill a noble mission
In instruction, research and extension
You give the best solution
In transforming our land into a great nation
And though the years may come and go
Our love for you will grow
Beloved University
We are proud of you. (2x)**
